Tip or Complaint:	City of Naples relocated blacks to an area across the rive from the Naples Airport (KAPF) soon after the war. These were Jim Crow times. Poor people of color have lived in the 92 low rise units called Gordon River Apartments . Corridor Development recently purchased the buildings, but I doubt that it is aware of the problem because why would anybody buy a potential SUPERFUND site. Corridor has been investing heavily in repairing dangerous code violations. Is this an emergency? It's been going on for 60 years. Everyday another generation is potentially be exposed to dangerous chemicals. You decide. I have informed the City. No response. I'll write Corridor again.
